A CHILD HAS A  
SPECIAL WAY OF  
ADDING JOY TO  
EVERY DAY

Photographing children is like cooking with a recipe. We create an inviting and safe environment that a child will feel comfortable in (our studio). Add equal parts anticipation and patience.

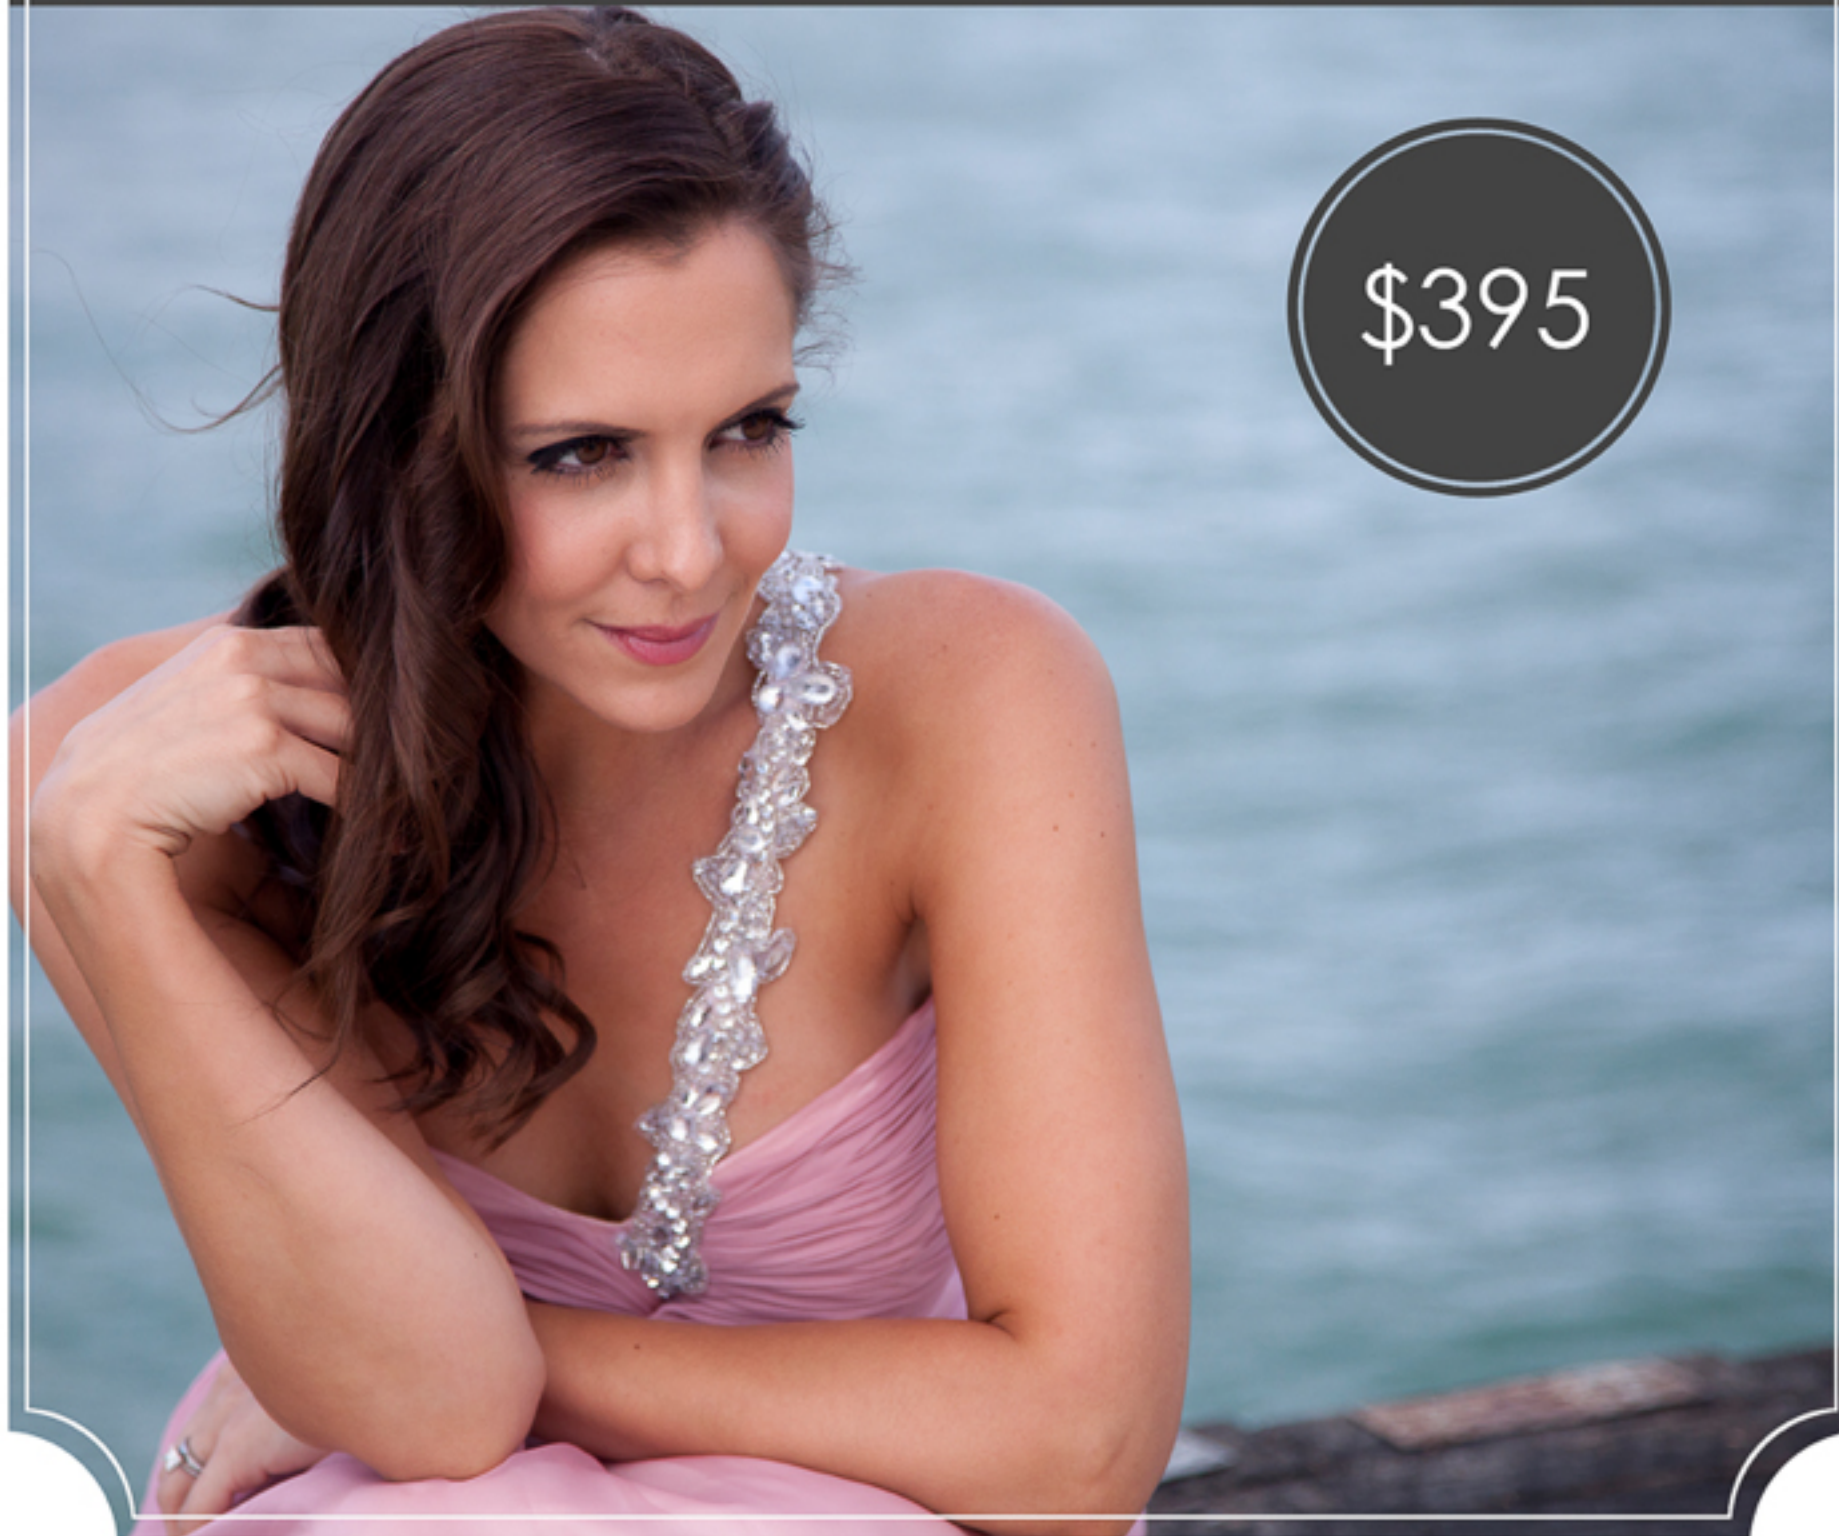

Throw out all the rules. Add the main ingredient (laughter). Have fun and be willing to look silly and totally not care :)

## PORTRAITS

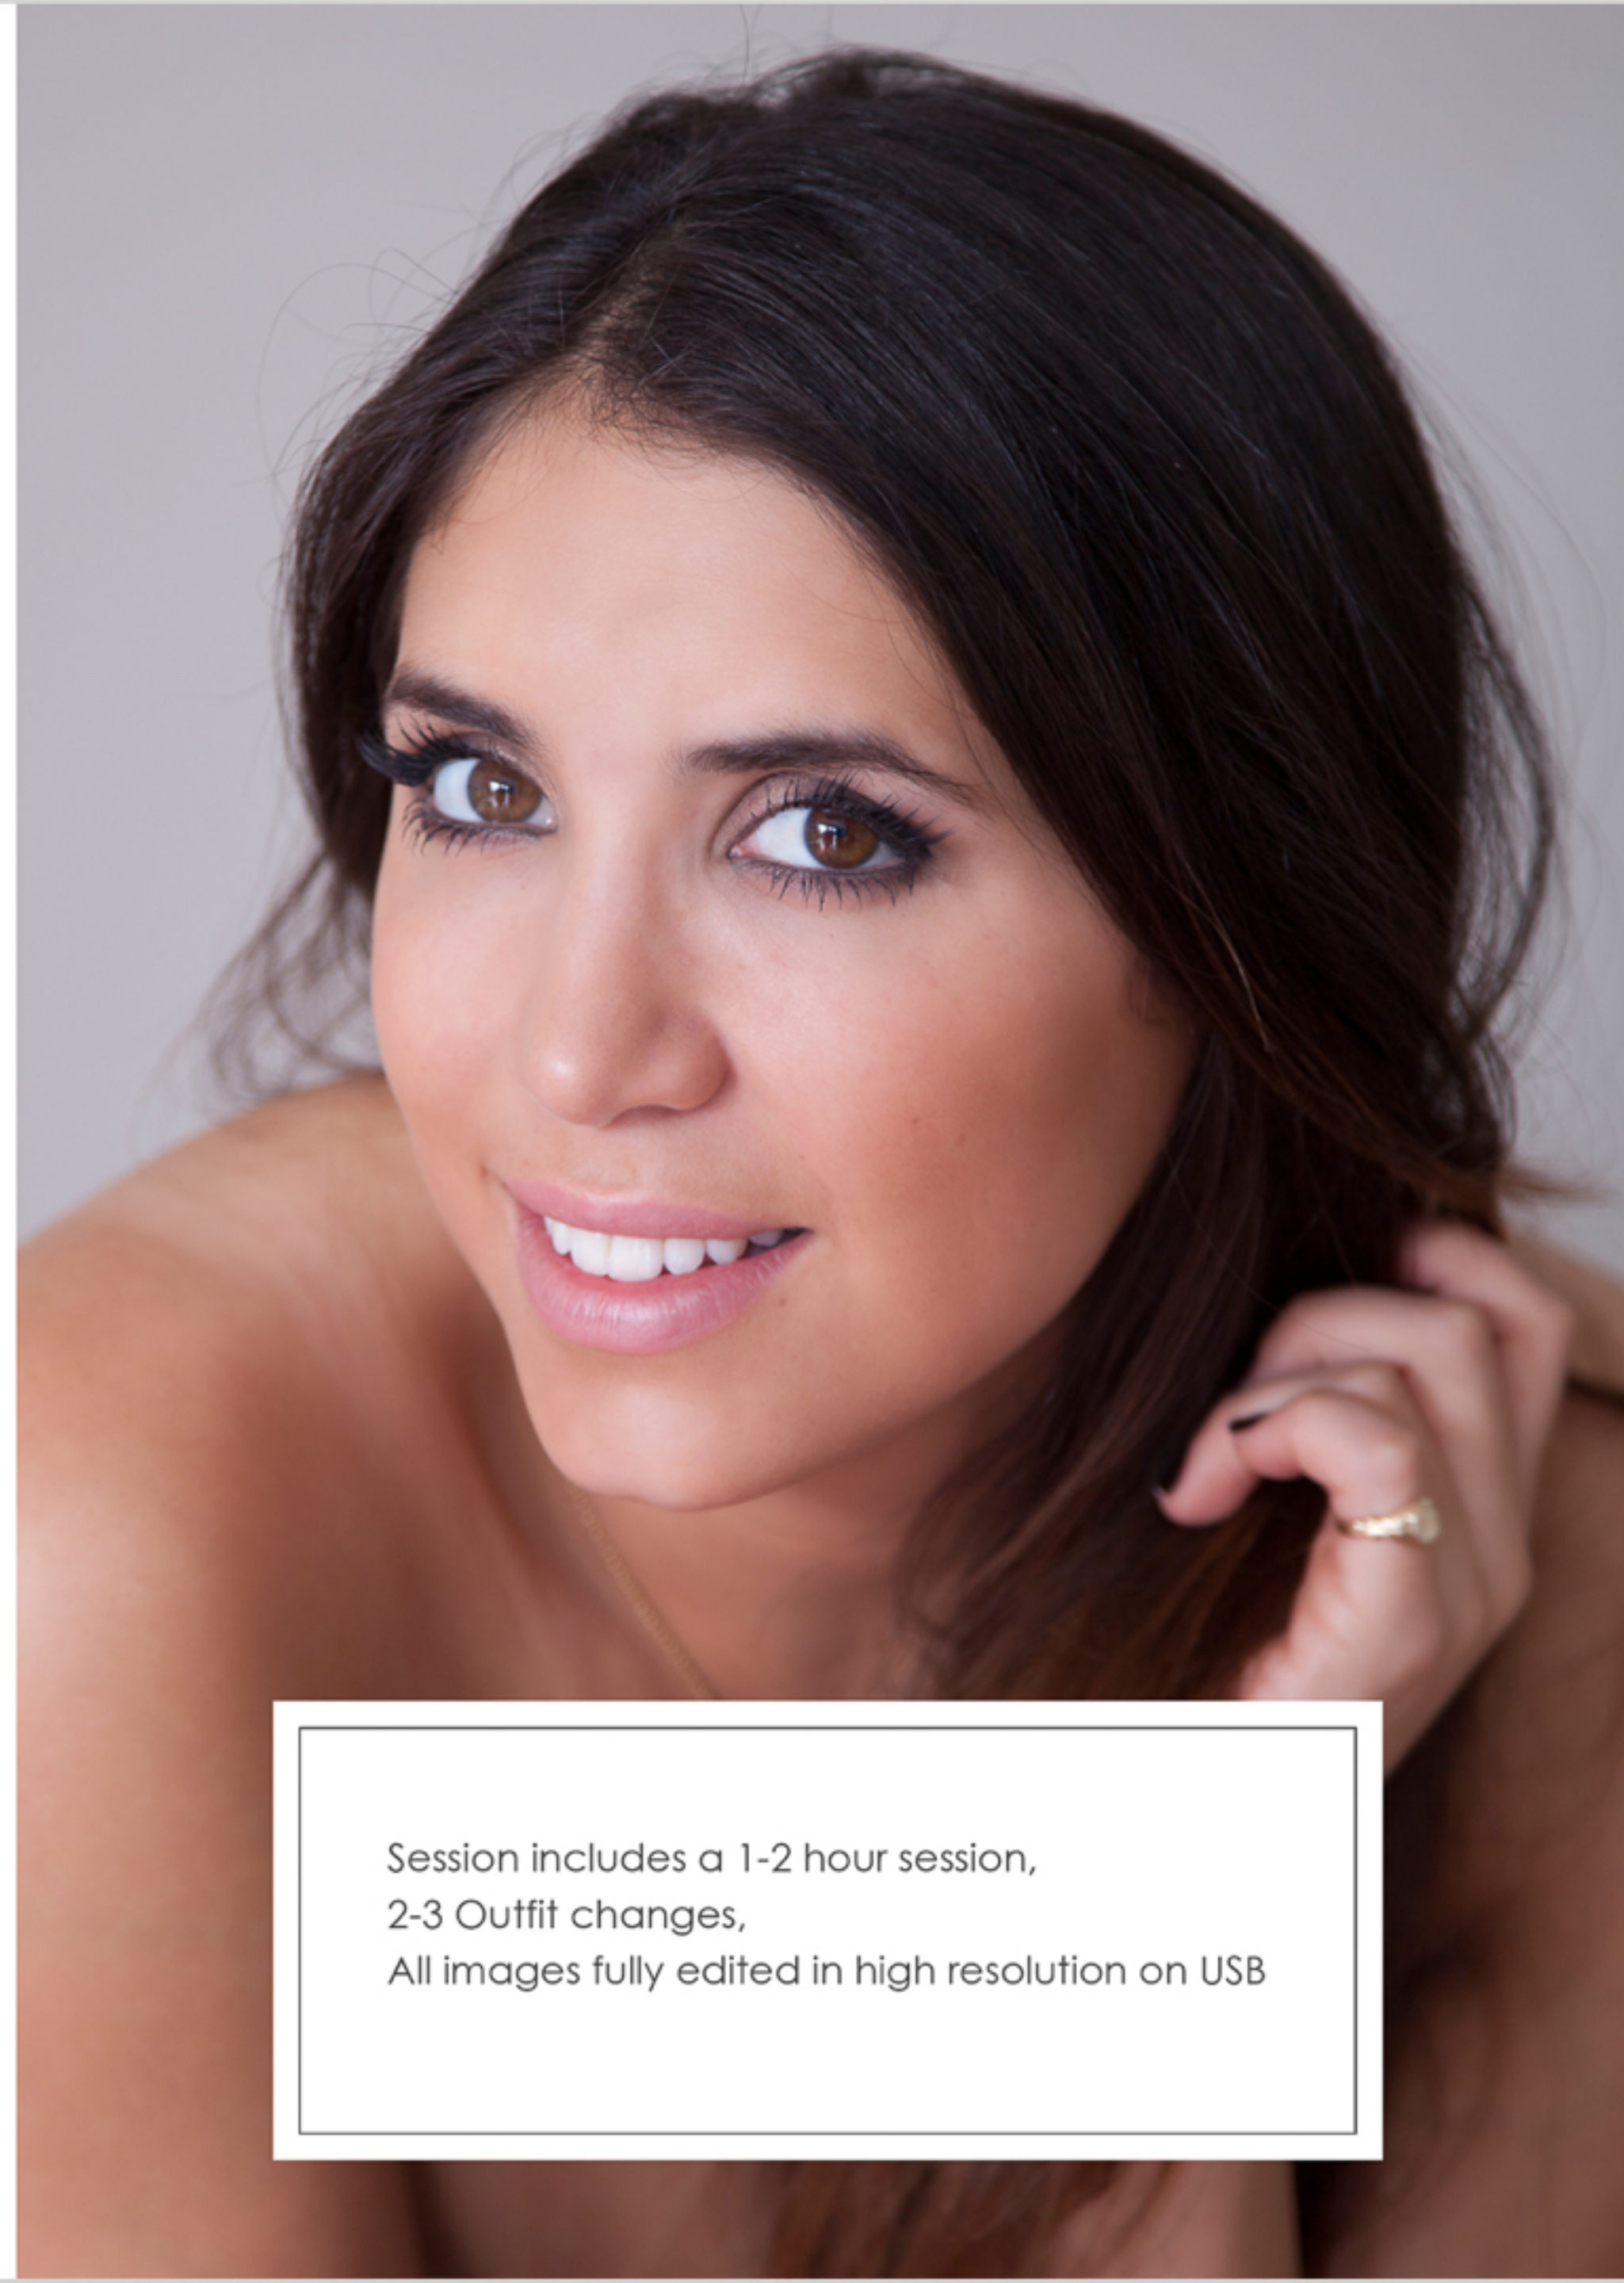

Your portraits are all about you. That's why we'll take your photos where you want—at the lake, a park, or in our professional studio. We can also recommend great locations in the local area.

Toss in your favorite mix of outfits, add a dash of photo magic and there you are: the star of amazing professional portraits that you'll treasure for a lifetime.
